On 1 September 2023, a new integrated support service named Oide will be established. The vision for the new integrated support service, Oide, is to support the professional learning of teachers and school leaders in Ireland through the development of high quality, innovative and responsive professional learning that enables them to meet the educational needs of all learners in a changing world. We look forward to continuing our work in supporting Business Studies teachers as part of this new amalgamated organisation. You can access the new website [HERE](#) and/or follow Oide on [twitter](#).
