Application Guidelines

Fiserv Future Techies - Application Guidelines

For this inaugural TY programme delivered by Fiserv we want to share with you some guidelines to help with your application.

We want to hear from you all about your hobbies and interests. Not sure what to talk about in your application? It's easy - let us know what piques your interest in or outside of school and why.

Make sure to include any of your extra curriculars too.

See the diagram below for some inspiration:

Tell what your curious about …

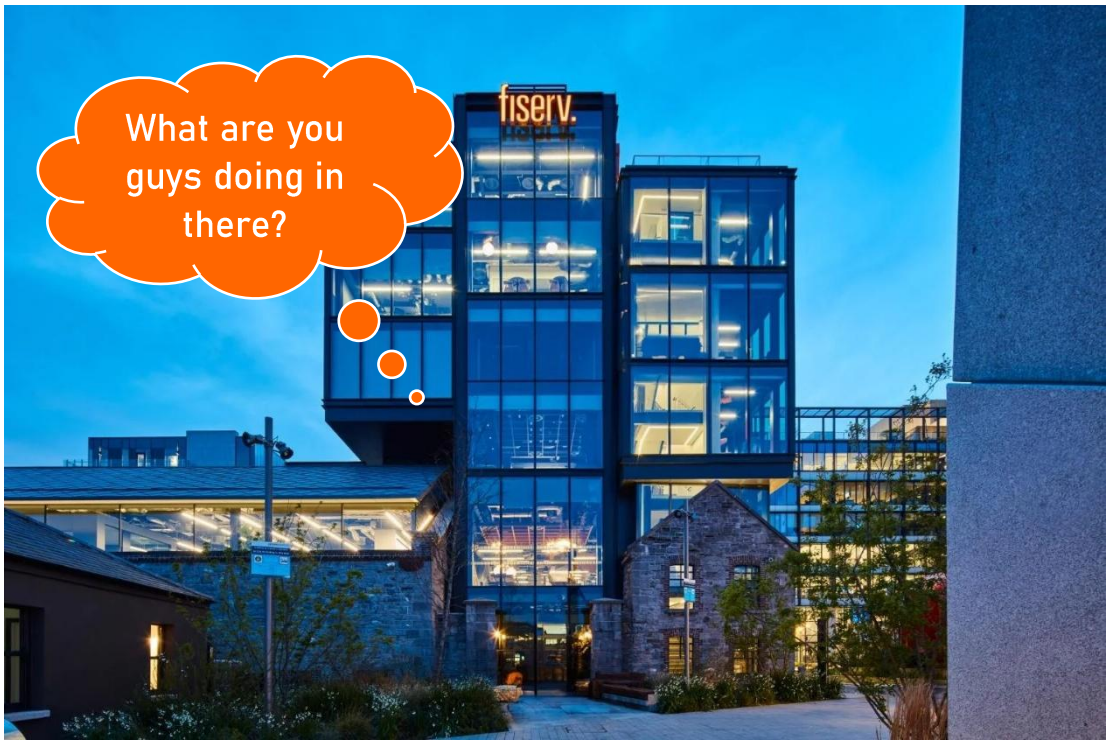
Have a think about what you'd like to learn from Fiserv employees:

What kind of jobs need to happen to make payments work?

How many countries can Fiserv offer products in?

Who does Fiserv work with? Shops, Cafes, online stores, banks?

Does Fiserv use data centres?



How should you introduce yourself to us?

We really want to see your creativity and out of the box thinking so the sky is the limit.

Share with us a:

- Short video (not more than 2 minutes)
- An animation
- Stop motion
- A colourful presentation in pdf form.

See examples below of tools you can use to help:

We're excited to learn about you and your talents, interests and personality so choose whatever form excites you most.

Be sure to share your content in one of two ways:

1. Video – MP4
2. Presentation – PDF

Submit you application to FutureTechies@Fiserv.com before 15th October

We can't wait to see what you create,

Good Luck!
